Student Growth Percentile Reports

The Office of the Superintendent of Public Instruction (OSPI) has provided a new report that describes student academic growth on state tests over time. This report is called a Student Growth Percentile Report (SGP Report). Any student who has taken a state test for two consecutive years in grades 4 - 8 will receive a SGP report. The SGP reports are designed to help parents answer the following questions:

- How high is my child's score? What achievement level did he or she reach?
- How much progress did my child make in the past year? Is my child making enough progress towards reaching proficiency?

Our students in 9th grade and with two years of test history will be receiving these reports on Tuesday, December 13th in their Humanities class. Students will receive an envelope containing a cover letter, a sample report with instructions on how to read the report and the student's actual report.

For more information on these reports, you can watch a short video at <https://mix.office.com/watch/ho707w68tdko>. OSPI provides additional documents and videos at: <http://www.k12.wa.us/Assessment/StudentGrowth.aspx>.

Incoming Class of 2021 Parent Night:

The Eastlake High School Counseling Department will be hosting our Incoming Freshman Parent Night for the Class of 2021 parents on Wednesday, January 25th @ 7:00 p.m. in the theater. This is an opportunity for parents of current 8th grade students who plan to attend EHS in the fall of 2017-2018 to learn more about our course registration process, graduation requirements, and activity and athletic opportunities available to our students.

If you are unable to attend this presentation and would like more information it will be available on the Counseling [PowerSchool](#) page as well as the Eastlake

website following the presentation. We hope to see you there!

We Value your Feedback: LWSD Survey

Each year, the district invites parents and community members to provide feedback on general school and district questions. The survey is anonymous. Schools and the district use this information in planning for the future and in continuous improvement processes.

This year's survey is now open: tell us what you think! Please [click on this link](#) to take the survey. The survey will be open through December 16.

The district also surveys parents on specific programs and planned strategic work: that survey will be open in February.

College, Counseling and Career News:

PSAT Scores:

On December 12, students who provided their email address on their PSAT answer sheet will receive an email from College Board explaining where and how to view their scores on collegeboard.org.

If a student doesn't see their scores when they log in, they may need to enter an individually assigned access code. They can come and see Mrs. Harrison or email her at niharrison@lwsd.org with questions about this. Students will also begin receiving paper score reports either next week or after winter break as it depends on when we receive them from College Board. The paper scores reports will be distributed along with the test booklets in homeroom classes.

SAT& ACT:

December 15, Wolf Time

Is your student trying to figure out when to take college admissions standardized tests and what the differences are between the tests? This week's Counseling and Career Center Wolf Time will review these important tests as well as your preparation and testing timeline. Interested sophomores and juniors may sign-up via Flexisched.

United States Service Academy Information Night:

Tuesday, December 27, 6:30-8:30 pm, U.S. Coast Guard Base, Seattle

Learn how to qualify for an appointment to the highly selective Service Academies, earn a Bachelor of Science degree, and be commissioned as an officer in the Air Force, Army, Marine Corps, Navy, or Coast Guard. Hear about this scholarship valued at over \$400,000, the application process, and nomination procedures. This is the best opportunity to compare 4-year officer commissioning programs! RSVP required-see details [here](#).

EHS College Night:

Wednesday, January 18, 7:00 pm, EHS Theater

Please join us! The EHS College Night reviews the college planning and application process, standardized testing, timelines, what to expect resources and more.

DECA Judges Needed - Please read this message from Brittanie Petersen

DECA is a competitive business and marketing organization that allows high school students to apply their knowledge to business case studies. This year I will be running the Food Services Marketing and Human Resources Management Area 3 competitive events. You are not required to have experience in either of those competitive areas in order to help out. In order for this event to run smoothly, I am looking for 30+ enthusiastic volunteers who would be interested in helping out during this upcoming event! Volunteers who help with this event every year are blown away by the ability of these students and I encourage you to come out and see what DECA is all about! Area 3 DECA covers Lake Washington, North Shore, Mercer Island, and Riverview school districts and includes Eastside Catholic High School as well.

Eastlake DECA and Area 3 Competition
Thursday, January 5th, 2017
7:00 AM - 12:00 PM
Meydenbauer Center in Bellevue, WA

Even if you don't have a business background, I need volunteers to help with student ushering, timing, chaperoning on the bus (you need to be an approved district volunteer), and keeping me personally-sane and organized while running the event! If you are interested in participating please contact EHS DECA Advisor Brittanie Petersen at bpetersen@lwsd.org for more information.
