Principal Message

Dear Wolves,

As we approach Thanksgiving, I would like to take time to give thanks. I am very grateful to work in a school full of amazingly kind and talented kids. I am thankful to our parents for supporting our efforts at creating a world class education for kids. Finally, I am grateful to be a part of an amazing staff that takes these ingredients and cooks up an incredibly rich experience for kids. Thank you.

WSPS

With the end of first quarter many families are interested in peer tutors to help with a variety of subjects. To make this search easier we have a live LIST OF AVAILABLE PEER TUTORS as well as subjects they tutor (from Math, Science, World Language and select Humanities courses) and whether they tutor for paid hours, volunteer hours or both. If a tutor's name is highlighted in green it means they are currently available to tutor. Please note that this replaces the old META email system as that email was monitored by students who have since graduated. Click [here](#) for more information.

Most awards are for academic classes, athletics, or clubs. We we have some additional awards for leadership (Leader of the Pack), school spirit (Spirit Wolf), Community Service, and Activities. Every month students are nominated per category by their teachers/department. 8x10 photos are displayed in the Commons area for approximately 1 month. Congratulations to this months nominations. Blood Drive:

Thank you Wolves for the amazing turn out for the National Honor Society sponsored Blood Drive. Going into the morning we had 115 people signed up to donate blood which was 16 people over the desired goal! Of the 116 that signed up 97 were registered yesterday. Bloodworks collected 67 units of blood with means Eastlake helped save up to 201 people in our community!

Bloodworks said our kids hit what they call "the sweet spot" in their donation count. So again thank you all for your selfless act of donating. We will be having another blood drive in March and hope to see you all again.

Eastlake Veterans Day Video - Honoring our Veterans

Veterans Day 2016 -

The objective this year was to stray from the basic Veteran's Day program and try something new. We wanted to emphasize the idea that veterans are real people so we put together this video to help get that message across.

We often forget that military service members have families and hobbies. We wanted to get students and staff from Eastlake to share their relationships with veterans they know and we received a lot of support. We were able to present the veteran's military service but also what that veteran meant to the student or staff member. This video was produced by Mitchell Johnson and Tyler Zangaglia and was shown in homeroom November 17th.

Along with this video we organized an activity through homeroom to send care packages and letters to

active duty service members through the Adopt a Soldier Program. We are excited for the opportunity to express our gratitude for our veterans and service members by creating an opportunity to serve them in return for all they have done/do/will do for us. These care packages contain items such as letters, games, snacks, and other small gifts. We have been overwhelmed by the support Eastlake students have given and are still receiving items which will be able to support a lot of soldiers.
