## Principal Message

Dear Wolves,

We have an eventful week at Eastlake with the excitement of Homecoming. We will have the Homecoming football game versus Issaquah on Friday, October 21 and the Homecoming Dance on Saturday, October 22. Our Homecoming theme will focus on the concept of "Growing Up Together." We will celebrate the past, the time and place where our kids grew up, but also the present and how they have come together at Eastlake. We will have themed spirit days, and then at the end of the week we will honor students from every grade that best represent the essence of Eastlake.

Part of this experience includes making positive choices both inside and outside of the classroom. As leaders at Eastlake High School we view the safety and security of students as our paramount duty. We have had some issues with drugs and alcohol at our recent football games, and although we remain vigilant at these events, keeping our kids safe takes a community effort. As Homecoming week approaches, we need to work together to ensure a fun but safe experience for our kids.

Wolf Strong, Pack Strong!

## It's Homecoming Week!

Wolves, we have an action-packed Homecoming week this year. A lot of work and thinking has gone into deciding the theme. Leadership came up with the idea that students at Eastlake have shared many experiences: from when we were younger to today. We have gone to the same schools, watched the same cartoons, played the same games and now, all go to Eastlake. This is why, our theme is "Growing Up Together".

Each day has a purpose to recognize the shared experiences students have had, and highlights individual people for the things they do to make Eastlake a better place:

**Monday**, we will be focusing on the past with "A Trip Down Memory Lane" featuring throwbacks from elementary school including comfy clothing. Hopscotch, and 4 square will also be around the halls. Also starting on Monday there will be an activity that will last all week in the E-wing hallway using the

window markers. In homeroom we will be doing a "Seeds of Success" activity. **Tuesday**, we will be focusing on the present with "Part of the Pack" day. Wear anything Eastlake because we are all Eastlake students! We will also be taking our traditional picture on the field and will be making a heart shape, but letting the wolves head show through.

**Wednesday**, is National Unity Day against bullying. We have asked students to wear **orange** to support the cause. Also, for all students taking the PSAT we will be serving hot chocolate before school.

**Thursday**, is Back to the Future Day. This day is all about bringing together our pasts and future. We have the [College Fair](#) during homeroom, and we will also be doing an activity to show where we see ourselves in the future.

**Friday**, Homecoming Football game vs. Issaquah. Kick-off at 7:00. There is no school due to a LEAP day but there will be a potluck brunch at 10:30, and a BBQ Cookout at 4:30 in the parking lot. In between we will be setting up for the dance on Saturday and offering community service hours to anybody that chooses to join in and help. At halftime at the game, we will be announcing our homecoming hero winners.

**Saturday**, Homecoming Dance from 8-11, make sure that you buy your tickets at the bookkeepers window for \$25 per person. We are selling tickets before school and during lunch through Thursday, and we will be selling after school on Thursday too. If you choose to buy tickets at the door on Saturday the cost will be \$30 per person.

### Picture Retake Day is October 19th:

Lifetouch photographers will be here for picture retakes Wednesday, Oct 19th, starting at 12:25 pm in our theater. This is for students who had their pictures taken but they blinked their eyes or don't like their facial expression. It's also fine for students needing first-time pictures, but these students will need to see our bookkeeper first so they can confirm the status of their ASB card and off-campus permission.

### Laptop Insurance:

Parents, Did you know that the most common laptop damage that gets a fine is a cracked screen for \$80.00 and that the cost of insurance for one year is \$52.00? And if a laptop is lost or stolen the fine is \$450.00? It can really be worth it to get insurance.

The district has a contract with Worth Ave. Click [here](#) to purchase. Be sure to give them the laptop serial number, NOT the district barcode which starts with MLWSD. The laptop serial number is a series of numbers and capital letters such as 8CG6204G7C.

If you cannot find the serial number please contact the EHS Library.
