Eastlake staff and students depicting the Eastlake Student Creed

Principal Message

Dear Wolves,

We have had a really successful Homecoming week that will culminate with a football game against Issaquah on Friday and a Homecoming Dance on Saturday. Our students worked to build school spirit and a sense of community that will resonate well beyond the week. They also incorporated their creed in the planning of all events.

Student Creed

"Here at Eastlake, through intentional actions, we can create an environment where students and staff can safely fail, feel appreciated and feel loved. This is Eastlake. This is home. This is family. WSPS."

For the Homecoming Dance, leadership students have put in a lot of effort so that their classmates will not only want to attend the dance, but stay for the duration. A few years ago, students also changed Homecoming Royalty to better align with the credo. Homecoming Royalty has become "Homecoming Heroes", where the entire school votes for the students they think best represents the values of Eastlake High School. Each student has the opportunity receive recognition for their character and contributions to our school.

WSPS
