Principal Message

Dear Wolves,

The school year has gotten off to a great start and students have settled into their classes and daily routines. Our fall athletic programs are in a full swing, and we encourage you to come support our kids on the course, the court, in the pool and on the field. We know our kids also develop attributes such as work ethic, teamwork and perseverance through their participation in clubs and sports.

This year's Curriculum Night will be on Wednesday, September 21st from 7 to 9 pm. Students will be completing a schedule to bring home on Tuesday, September 20th. We are excited to welcome our parents and have you meet our wonderful teachers.

Go Wolves!

Chris Bede, Principal

Is Your Student Having Laptop Issues?

We are aware there is an issue with some students connecting to the internet from home with their district laptops. Some students are able to connect but others are not. The district is working to relieve this issue, but in the meantime, please talk with your teachers about how to complete work without internet. Teachers are very understanding and can help you make up a plan to get work in.

Attendance - Early Release Guidelines

Does your student need to be dismissed during the school day?

Please follow these guidelines:

Have your student bring a note to the attendance window before school/class to get a release slip to show the teacher and use as a pass to leave campus.
Or,

If calling in instead, call the main number (425) 936-1500 and ask for Attendance and talk to a person to ensure we get the release slip to your

student in time. Please do not leave a message on the absence line to call in an early release from school. The absence line is for reporting absences only. While it is checked throughout the day, it may not be checked in time for when your student needs to leave if called in during the day.

If calling, please call in ahead of time to allow time for your student to be located and have a release slip delivered.

For attendance questions, contact Jennifer Barney at (425) 936-1500 x53524 or email jebarney@lwsd.org

Washington State 2016 Healthy Youth Survey

Here is a link to a page on our District website with information about the Healthy Youth Survey. This survey will be administered to our 10th and 12th grade students in October.

Haiku is now PowerSchool Learning:

Over the summer, Haiku, the district's learning management system, was acquired by PowerSchool Learning. The tool remains largely the same. The changes are mostly cosmetic, including the name, colors and logos. The PowerSchool logo appears where the Haiku logo used to be. The link to this tool on Parent Access now says Haiku/PowerSchool Learning. Both names will be listed during this transition as we get used to the new name. You will be able to monitor student class information, assignments and calendars through this system as you have in the past.

World Language Competency Credit Opportunity:

Students who have learned a language other than English outside of high school are able to demonstrate their competency and earn high school credit. A test is offered on a Saturday in speaking, listening, reading, and writing. Students can earn 1-4 high school credits, if they do as well as students should after completing 1-4 high school courses in a world language. The next testing opportunity will be at Eastlake High School on October 5th, and the registration deadline is September 26th. This test is free, if it's the student's first attempt. Hey Juniors- it PSAT time!

If your student is in 11th grade this is the year for them to officially take the PSAT/NMSQT test at EHS on October 19, 2016. The test will be here at EHS and is built into the school day for Juniors. The test is optional, but about 90% of Juniors take this test. It will prepare students for the new SAT format and it will enter students in the National Merit Scholarship program for recognition and scholarships. This is not to be confused with the Fear Free practice SAT tests offered on the weekends at EHS- this is the only test that will get them connected to national scholarships. The PSAT test is \$15 and you can purchase online with Parent Access or students can bring in payment- cash or check made out to EHS. Deadline to register for the test is October 12, 2016. There will be no refunds after October 14th due to administrative and test costs.

Please see Mrs. Harrison in Counseling if you have questions.

Towing Alert-

Towing Alert! The Plateau Professional Center has recently come under new ownership. This will affect students that use their parking lot instead of parking on our campus. This includes the entire parking lot from Starbucks to behind KFC. Don't take a chance. New towing signs will be posted soon. Purchase an Eastlake parking pass and park on campus so you don't get towed!

Outdoor Gear Drive!

The Eastlake Wellness Department is looking to expand our gear closet for teaching our Outdoor Adventure elective class along with supporting the EHS Sound to Summit group.

If you have any outdoor gear to donate, please add it to the bin labeled "Outdoor Gear" outside the main office.

Suggested items (but not limited to these):

Tents (all sizes), sleeping pads, hiking and backpacking packs, water filtration systems, cook/camp stoves, navigation tools, topographical maps, headlamps, working GPS units, avalanche transceivers, any survival tools, general hiking gear, climbing gear, paracord, fishing poles (reel, rod, fly), fishing gear, first aid kits, outdoor clothes and accessories, books/resources on hiking, backpacking, local plants.

Additionally, if you have some outdoor expertise you would be willing to share with our class, please contact me! Lena Hanson: lhanson@lwsd.org.
