Principal Message

Dear Wolves,

We are excited for this upcoming school year and looking forward to seeing your students on campus. We have missed them. Whether this is the first time your student will be "joining the pack" or we are just simply welcoming them back, you could not be releasing your student to a better place.

Eastlake is a dynamic school and we pride ourselves on being student centered. With that in mind, we encourage your student to get involved, try new things, and to challenge themselves. Our teachers are the best you will find and working with students is their passion.

See you on September 6th.

Wolf Strong, Pack Strong

Chris Bede Principal

Hey Juniors- it PSAT time!

If your student is in 11th grade this is the year for them to officially take the PSAT/NMSQT test at EHS on October 19, 2016. The test will be here at EHS and is built into the school day for Juniors. The test is optional, but about 90% of Juniors take this test. It will prepare students for the new SAT format and it will enter students in the National Merit Scholarship program for recognition and scholarships. This is not to be confused with the Fear Free practice SAT tests offered on the weekends at EHS- this is the only test that will get them connected to national scholarships. The PSAT test is \$15 and you can purchase online with Parent Access or students can bring in payment- cash or check made out to EHS. Deadline to register for the test is October 12, 2016. There will be no refunds after October 14th due to administrative and test costs. Please see Mrs. Harrison in Counseling if you have questions.

*The price is \$15. If you already paid \$16, please see the bookkeeper for a \$1 refund. Otherwise, the \$1 can be donated to the PSAT program at Eastlake and we would be very appreciative of this support. We apologize for this inconvenience.
