Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home. This is family. **WSPS.**

Principal Message

Dear Wolves,

With the impending departure of Mr. Sartorius, we have started the search for a new Associate Principal. We perform a thorough process that starts with the collection of input from staff, students and parents.

The parent input meeting will occur at 2:30PM on Thursday, May 25 in the Library. I realize that this might not be the ideal time, but we are juggling some busy schedules. If you cannot make this meeting and would like to provide some input as to the needs of Eastlake or the characteristics that you would like in our new Associate Principal, you can send me an email (wbede@lwsd.org).

We are very thankful for all that Scott Sartorius has done for Eastlake, and we will find a time to celebrate his contributions to EHS and wish him well in his new role. However, we are also very excited about hiring his replacement and continuing to provide the best possible support for teachers, students and parents.

WSPS

Chris Bede, Principal

State Testing Continues Next Week

Students at Eastlake will be tested on the following dates:

May 22: 7:30 -10:20, SBA Math testing, class for all students will begin at 10:30

May 23: 7:30 -9:45, SBA Math testing, class for all students will begin at 9:50

June 5-8: Biology EOC, given during Biology classes

Who needs to take these tests?

SBA Math - 10th grade students (see note below) and any 11th/12th grade students that have not yet met the proficiency requirement

Biology EOC - 10th grade students and any 11th/12th grade students that have not yet met the proficiency requirement.

What to Bring to the Test:

- Computer and charger

Daily Bell Schedule

- Earbuds
- Computer mouse (optional)
- Water and a snack
- Book to read when finished

Late Bus Route

A late start is being used by the comprehensive high schools to implement the state testing requirements. This schedule is necessary to provide a quality testing environment for students who are working towards their graduation requirements. A late bus run will be provided to ensure students who are not testing can be at school for the start of instruction during these days. **This secondary bus route will be 2.5 hours later than the primary bus route.** If your son/daughter normally meets the bus at 6:30 am, they will meet the secondary route at 9:00 am. If students are participating in the State tests, they should take their normal bus at the normal time. The weekly schedules for these tests can be found on the Eastlake website in the [Daily Schedule](#) tab.

Tenth grade students may access the Math SBA

The class of 2019 is the first class that has the SBA Math test as a graduation requirement. 10th grade (2019) students may now also take the Smarter Balanced math assessment instead of waiting until the 11th grade. The Mathematics Smarter Balanced Assessment is designed for students who are completing or have already completed an Algebra 2 course. Grade 10 students that have not completed this level of math instruction would be at a disadvantage and may want to consider waiting until the 11th grade year to attempt the exam for the first time. Students who score a 3 or 4 on the SBA as a 10th grader will not need to take that exam during their 11th grade year.

Eastlake Fisherman -
Heather McOmber

Fishing at Pine Lake Nets Big Trout!

A few weeks ago, the Outdoor Adventures (fitness elective) class went fishing at Pine Lake. During the outing, student Heather McOmber caught an 18.75 inch, 2lb Trout! Thanks to our volunteer fisherman, Tony Macchiarella, the class was able to enjoy some delicious smoked trout the following week. It's always an adventure in Outdoor Adventures!

NEW FALL GIRLS SPORT! - SLOW PITCH SOFTBALL

LWSD is offering a new sport for girls beginning this Fall season. Eastlake Slow Pitch will be coached by Brian Fox and will be playing a 15 game schedule.

Season begins August 21st and will run thru October. Registration will take place beginning August 1st online thru Parent Access. Be a part of the first season of this new sport!

Attention Football Players: Required for SPRING football-

Don't be left on the sidelines for Spring Football. Make sure you register for football through Parent Access by clicking [here](#). This is a new SPRING procedure for football this year and the great news is that this required registration will cover your player from SPRING thru FALL football. Please turn in updated physicals and medical history paper forms to Mrs. Hill in the Athletics office. Medical History forms will be good thru the 2017-18 school year and need to be completed before SPRING football begins. The only thing you will need to do in August before FALL football practice begins is pay your \$200 participation fee.

Senior Send Off -

Senior Send Off - We have a Seat for Your Student!

What a crazy couple of days we had for our bus sign ups! But don't fret if your senior would still like to go - we still have a few bus seats left to fill! Contact your counselor if the cost of this super fun and well attended event (we have over 240 seniors signed up!!) is prohibiting your senior from attending. All seniors are welcome and encouraged to join us. We have PTSA funds to support our Eastlake students! Contact [Carlene Camera](#) with any questions or comments or to let us know if you plan on registering your student. To learn more, please visit www.ehsptsa.org.

For Seniors participating in SSO, you need to arrive at EHS at 9:45 pm for check in and bus load. We ask that seniors do NOT drive themselves! Students will be happy but exhausted when we return at 5:30 am the next morning. Our number one goal is safety for your kids this graduation!

Please contact [Carlene Camera](#) if you have any questions.
