Principal Message

Dear Wolves,

We are excited for the upcoming 2017-2018 school year. Next week our teachers return to plan and prepare for the start of school. Soon after, our hallways and classrooms will be teeming with the energy and exuberance of students.

Building on our past success, Eastlake will continue to improve so that we provide an incredible experience for every student both inside and outside of the classroom. Our teachers remain committed to providing dynamic and engaging instruction in every class, every day. While they challenge students to learn, they support them in this process through a personalized and compassionate culture.

We believe that students need to learn content knowledge and skills, but more importantly, they need to develop the intellectual strength and character necessary for success now and in the future, as captured by our Mission, Values and motto Wolf Strong, Pack Strong (WSPS).

This learning also extends beyond the classroom and into our clubs and athletic teams. Whether between the lines on the court or the lanes in the pool, students learn valuable life lessons about teamwork and perseverance. By building a robot or participating in Chess Club, students learn to think for themselves and solve complex problems.

A sincere thank you to parents and previous teachers for sending us such amazing kids!

Eastlake High School Mission

We also recognize that our community is diverse and we respect and value that diversity. It is important in the scheduling of major school-wide events that we are cognizant of important religious holidays and significant cultural events. We recently discovered that the graduation date set three and one half years ago occurs on one of the major religious holiday. As a district, we have committed to not scheduling major events on major religious holidays so the district is taking steps to remedy this. Graduation is an important event for all students and families and we want to ensure that we are not excluding any of our students or families from participation in such a momentous event.</p>
