Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home. This is family. **WSPS.**

Principal Message

Dear Wolves,

The Eastlake Mission outlines our efforts to develop both the intellectual strengths and character in students. We want students to know the quadratic formula and understand the lessons of history, but we also want them to learn how to think critically, creatively and independently. To translate our mission into action, we challenge and engage students in well-designed instruction. We want students to transcend strategic compliance and become authentically engaged, where they perceive their schoolwork as interesting, important and relevant. Where they don't just go through the motions and play school, but rather get fired up about issues and fascinated by the complexities of our world around them.

We also want to challenge students in the right way, where we focus on depth and complexity and not just content coverage and factual regurgitation. Where we differentiate appropriately to push students past their comfort zone, but not overwhelm them to the point of exhaustion or frustration.

Finally, we want to design lessons that align to how students learn. Our teachers create a student-centered environment through instructional strategies such as Problem Based Learning and Socratic Seminars. Our teachers understand that incorporating movement into instruction helps students learn. Our teachers understand the brain science of attention spans and use this knowledge to inform their lesson pacing and transitions.

At Eastlake, we have a relentless focus on the culture of school and the quality of instruction inside the classroom.

Eastlake Financial Aid and Scholarship Night.

Representatives from Seattle Pacific University Student Financial Services will explain what financial aid is, how to apply, what families should know about financial aid and how to find scholarships. Even if you think your family will not qualify for financial aid, many schools require the FAFSA (Free Application for Federal Student Aid) for scholarships so parents of juniors and seniors especially are encouraged to attend this event to learn about the process.
