Principal Message

Dear Wolves,

Veteran's Day is this week. During Homeroom class our students wrote letters to veterans. Quite a few staff members wrote letters too. Some wrote letters to random 'dear veterans,' and our Leadership Class will deliver these to service members. Other students wrote letters to specific veterans by name. This included letters to sisters and brothers and parents and grandparents. Our Leadership Class invited some of these students and staff members into our recording studio, to record them reading their letters.

On Thursday our school watched this Veteran's Day video. We invite you to watch too by clicking the link on the right. Our school-wide activity required the participation of many students and staff who demonstrated thoughtfulness and respect towards our country's veterans.
