

# High School & Beyond Plan Xello Activities

*To assist with the registration process and helping students make informed  
decisions about course selection*

February 21st-22nd

# Background on High School & Beyond Plan

*HSBP Coordinator: Brittanie Petersen*  
*HSBP Running Start & Registration Coordinator:*  
*Sara Anderson*

- High School & Beyond Plan (HSBP) is a graduation requirement
- Xello is the new program used for HSBP, formerly known as Career Cruising
- Designed for students to begin career exploration within their high school experience
- Using Xello will help students to link their personality, skills, and interests to potential career options and understand how those career aspirations can be achieved through proper course selection
- All assigned activities are grade-specific and need to be completed to stay on track with HSBP requirements
- Activity make-ups will be done during a future Wolf Time, if not completed during registration time

## Understand Before Getting Started

- Xello and the grade-assigned lessons are new as of this 2018-2019 school year.
- Therefore, students only complete the three grade-assigned lessons appropriate for their grade; no need to go back and do previous grade lessons despite the fact you can see them and will show as 'incomplete'.
  - Students are always welcome to complete if interested, but it will not be required.
- *For example, a 12<sup>th</sup> grader will see all of the 9<sup>th</sup>-11<sup>th</sup> grade lessons on their page and it will show as 'incomplete'. It is NOT required of 12<sup>th</sup> graders to go back and do those lessons – only the three grade-assigned lessons.*

# Grade-Assigned Activities & Accessing Xello

1. You can access grade-assigned activities:

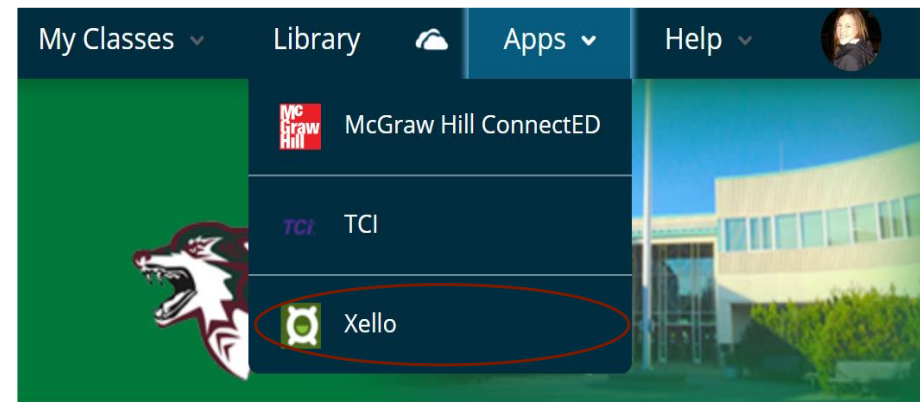

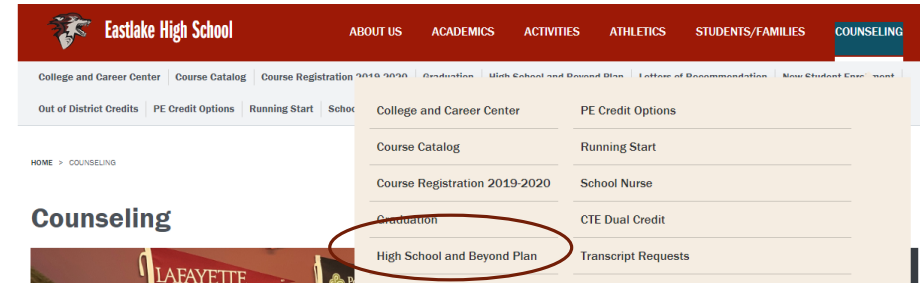

EHS Website > Counseling > Corresponding Class Grade

2. You can access Xello:

PowerSchool > Apps > Xello

*All grade-assigned activities required for each grade level are already activated for student to begin working on.*

Questions? Contact Brittanie Petersen or Sara Anderson

# Xello Activity #1

Period 1: Pack Time  
40 minutes

*February 21st*

*Note: Students only complete the three grade-assigned lessons; they do not need to go back and do previous grade lessons despite the fact they can see them and will show as 'incomplete'. Students are always welcome to do them if they are interested, but it will not be required of them.*

*For example, a 12<sup>th</sup> grader will see the 11<sup>th</sup> grade lessons on their page and they will show as incomplete. It is NOT required of 12<sup>th</sup> graders to go back and do those lessons.*

Before starting, you will need:

1. Corresponding activity worksheet (through Eastlake website)
2. Connection to Xello website and account (through PSL)

Each student will complete Activity #1 for their assigned grade:

- Grade 9: Personality Styles
- Grade 10: Careers & Life Style Costs
- Grade 11: Entrepreneurial Skills
- Grade 12: Job Interviews

# Xello Activity #2
