\*If students work asynchronously during all scheduled times during the week, they could be done by 3:50pm on Monday, Tuesday, Thursday, and Friday.

\*\*On Wednesday, students have a 25-minute lunch. The LWSD needs to use the public schedule to report the requisite instructional minutes to OSPI. Lunch does not count towards instructional minutes. However, Wednesday lunch backs up to individual student work time, and since students have flexibility on asynchronous work, they can choose to take a longer lunch and just extend their work time.
