\*If students work asynchronously during all scheduled times during the week, they could be done by 3:50pm on Monday, Tuesday, Thursday, and Friday.

\*\*On Wednesday, students have a 25-minute lunch. The LWSD needs to use the “public” schedule to report the requisite instructional minutes to OSPI. Lunch does not count towards instructional minutes. But because lunch backs up to individual student work time, and given students have flexibility on asynchronous work, they can take a longer lunch and extend their work time if they so choose.
