Eastlake High School Mission
Developing the character and intellectual strengths for individual and shared success

Eastlake Values
• Intellectual strengths such as curiosity, creativity and effective communication
• Personal attributes such as integrity, responsibility and reflection
• Interpersonal attributes such as empathy, teamwork and service
• Compassion and appreciation for authenticity and diversity
• Growth through initiative, work ethic and perseverance
• Balancing competition and ambition with gratitude and wellness

Wolf Strong, Pack Strong
• Support students through a positive, personalized and compassionate culture
• Engage and challenge students through well-designed instruction
• Support students in their development of character and citizenship
• Provide students the time and support to meet our high expectations
• Provide students with the knowledge and skills to make thoughtful decisions in high school and beyond (college and career ready)
This is Eastlake
EHS PTSA is the link between parents, teachers, administration, students and the community.

Only organization at EHS that supports ALL students and the entire community.
How we partner with the school:

- Grants - $175,000 over last 4 years to educational programs, directly enhancing learning in classroom.

- Education – Funding for Math Lab, SAT & ACT test prep, Reflections Art Program, Parent Ed, and Prevention Intervention Counselor, to name just a few.

- Building our Community – Holiday Bazaar, Emergency Prep, legislative advocacy, Angel Fund and Pantry Packs for families in need.
We communicate through our website, Wolf Tracks weekly update and Facebook.

- Start at: **ehsptsa.org** to get signed up for EHS PTSA updates

Course: This year long course is designed with an integrated approach to reading, writing, speaking, listening, and higher level thinking skills.

In this course we will explore the concept of coming of age through the literary traditions and geographical movement of cultures and civilizations around the world.

Year end product will be a student driven documentary film festival based on social justice.
Honors Course

- Practicing and developing critical thinking skills for success in advanced courses throughout high school.
- Not necessarily the same curriculum as 9th with “extra” or “more” work
- Homework: Varies but students can expect 30-90 minutes depending on unit/semester
There will be a summer assignment for Social Studies and Language Arts due the first day of school.

- Mapping the world
- Short Story annotations

Summer Assignment will be distributed the last two weeks of school.
