Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home. This is family. **WSPS**.

## Principal Message

Wolves -

We thank all families for entrusting their students in our care. The physical, social and emotional safety of your kids is our paramount duty. The two incidents this week were similar but unrelated, and in these situations, we need to be careful about sharing too much information as it can sometimes lead to copycat threats.

At the Community Safety Forum that was held at our school on Tuesday night, district administration and Officer Ken Williams, our School Resource Officer, discussed the district and police's threat response protocol. As part of this presentation, we shared that due to student privacy laws, not all corrective action steps can be shared, nor can we make the contents of these threats public during an investigation.

Have an enjoyable Spring Break.

WSPS

### **Eastlake Wolfpack Association - Seeking Boardmembers**

If your child is involved in a club or sport at Eastlake, chances are that club is a member of EWA, Eastlake Wolfpack Association. The EWA helps raise funds and coordinate activities with and for clubs, and is an integral part of the club success at Eastlake. There are currently 26 clubs at EHS that are members of EWA.

#### EHS PTSA Page

There are 2 board positions that will become vacant at the end of this school year: president and secretary. If your child belongs to a participating club, you are eligible to apply for one of these positions. If you are interested or know someone that might be a good candidate, or have any questions regarding these positions, please contact us. To learn more about the president position, contact Ted Benoit at [ted@waltswrench.com](mailto:ted@waltswrench.com). To learn more about the secretary position, contact Irene McCoy at [irene.e.mccoy@gmail.com](mailto:irene.e.mccoy@gmail.com)

### **Attendance Notes:**

The Center for Disease Control (CDC) warns of a second, new flu strain reportedly spreading across the country.

If your child is affected by any kind of sickness and you take them to a doctor, please secure a doctor's note for attendance. While doctor's notes are not required to excuse an illness, they do make the absence not count toward Semester Totals for your child. A student is only allowed 9 excused absences per Semester before a conference with an Admin is required.
