Dear Students and Families in the Class of 2020:

We continue to plan the end-of-the-year logistics for seniors. In this Senior Edition – Wolves Weekly Update we have provided more specifics about the process for Senior Photos and Check-Out. Today we have the Senior Sports and Band Celebration and then throughout next week we have the Unified Sports Celebration as well as Destination Day on June 1.

Virtual Graduation - Monday June 15th

We will have a virtual graduation released on Monday, June 15 at 5 PM. People can watch the video afterwards but cannot fast-forward. That allows all seniors to turn their tassel and graduate at the same time. We have now hired HotSpark Media, two former Eastlake graduates (Eli and Ben), to produce the graduation video.

The video will follow Eastlake's traditional Graduation program with student and staff speakers, student performances and the ceremonial turning of the tassel. We're sure Ben and Eli will add their own creative flare to it as well!

Senior Photos and Check-Out - UPDATED

In order to collect all materials in a safe manner that aligns with social distancing protocols we will need to divide it up by last name and spread it over three days.

Students will park in a line and wait in their car until the first station opens. We will only

have five students out of their car at a time. Students are required to wear masks during this time.

1.Waiting Station 1 - Flagpole

2.Waiting Station 2 – Outside Front Doors (masks available)

3.Drop-Off Station 3 - Commons

- Computer
- Charger
- Textbooks
- Library Books
- Sports Uniforms

4. Pick-Up and Picture Station 4 - Theatre

- Chords
- Diploma Cover
- Take Picture

5. Pick-Up Station 5 - Gym

- Locker(s) Contents*

Students will receive email for items not returned and outstanding fines and will not receive their diploma until those are resolved. All fines are paid online. If families cannot pay online, please contact kquinasso@lwsd.org.

*Locker contents - Eastlake staff will clean and lockers and deliver the contents to students in a bag.

It's important that your students adhere to their designated time slot so we can be safe and avoid long lines!
