Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home.
This is family. **WSPS.**

Dear Wolves,

As the end of the First Quarter approaches on November 6th, students become more consumed and concerned about grades. Please remind your students of all the ways in which they can receive support from their teachers. Our teachers are available before and after school for Office Hours. Students can also sign up to get help from a teacher during Wolf Time on Fridays.

Another support for students and families are the PowerSchool Learning websites. On these websites, you can find class materials and resources as well as see a calendar of upcoming assignments, tests, and projects. All teachers maintain an electronic gradebook through Skyward. Both PowerSchool Learning and Skyward can be accessed through the Parent Portal. Teachers are expected to update their electronic gradebook in Skyward every two weeks, with exceptions being made for major projects and papers. This year, we will have our grading requirement deadlines coincide with the athletic grade check dates, approximately one time per month, with the expectation that teachers are also updating their grade books mid-month.

The dates for updating grade books this year are: October 31, November 14, November 28, December 12, January 16, January 30, February 13, February 27, March 13, March 27, April 10, April 24, May 8, May 22, June 5, and June 19. Grade checks for athletes are completed on November 1, December 3, January 7, February 4, April 1, and May 1.

An additional communication tool that we will be continuing first quarter is to send parents an email if their student has below a 70% in any class. The email will be meant to encourage conversation in the family about work hard to bring the grade up prior to the end of 1st semester.

Fall Community Service Hours Deadline Nov. 2nd

Deadline for turning in hours for the Fall EHS Community Service Award List is Nov 2nd.

Students who would like to be included on our Fall 2018 Community Service Award List need to turn in all documentation by Nov 2nd. All grade levels can be included on the Award List if they have documented at least 50 hours. These hours can be accumulated through individual service, local organizations, EHS service clubs, etc. Inclusion on this list can be listed as an award on job, college, scholarship, and other applications. Awards lists are posted twice a year so all students can double check their hours, and seniors can use them in the fall for college apps and spring for graduation. Seniors will need at least 200 hours to earn the Honor Cord for graduation. Click [HERE](#) for Community Service forms and instructions for turning them in. Check the [EHS Community Service webpage](#) for any questions.

Noodle Tools for Research

Thank you to EHS admin for purchasing a subscription for all EHS students to access Noodle Tools, an online digital binder that stores, organizes, and synthesizes sources for research papers and the research paper writing process. Students can create projects for different research papers in all their classes, use virtual note cards, and more! Students must, however, use the specific [instructions](#) for our school's license to access this amazing research tool. Please contact the EHS Librarian [Kathleen Dunbar](#) if you have any questions.
