Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home.  
This is family. **WSPS.**

Dear Wolves,

We would like to thank our generous PTSA for their most recent grants. PTSA just donated \$28,926 to Eastlake High School for a variety of facilities improvements, classroom supplies and student experiences. The grants funded lighting for our Theatre, a presentation on distracted driving, genetic information kits for Biology, a Baritone Saxophone, non-fiction and multi-lingual books for the Library, the Traveling History Museum, and equipment for our new AP Physics 2 course. This money allows us to provide an even more incredible experience for all students. However, PTSA does not just provide us financial support. They collaborate with Eastlake to ensure clear communication to our families, they provide input on our process for continuous improvement, and they partner with Eastlake to help educate parents about important issues in the lives of teenagers.

Thank you for all you do!

Wolf Strong, Pack Strong

Todd Apple, Associate Principal
