Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home.  
This is family. **WSPS.**

Dear Wolves,

Eastlake has established school systems that personalize education and address the needs of all students. To provide students with the necessary time and support to learn, Eastlake offers student interventions during the school day in Math, Science, Literacy and World Language. Eastlake also offers a flexible time (Wolf Time) in our schedule to meet the various needs of all our students. Wolf Time allows students to access extra support from their teachers during the school day, as well as make up missed labs, assignments or tests. Wolf Time can also mitigate stress and help students balance their busy lives by providing academic work time during the school day.

Please continue to check with your student about how they plan to use Wolf Time and remind them that teachers are available to help during Office Hours before and after school.

Wolf Strong, Pack Strong
