Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home.
This is family. **WSPS.**

Dear Wolves,

As we approach Thanksgiving, I would like to take time to give thanks. I am very grateful to work in a school full of amazingly kind and talented kids. I am thankful to our parents for supporting our efforts at creating a world class education for kids. Finally, I am grateful to be a part of an amazing staff that takes these ingredients and cooks up an awesome experience for kids. Thank you for all your support in making Eastlake a great place for Staff to work and students to learn and grow.

Eastlake Daily Bell Schedule

Bell schedule week of [November 26th](#) - It is a regular week.

The [Daily Bell schedule](#) varies often week to week, so please bookmark the Bell schedule from the Eastlake website so you know the schedule!

PE Credit Option Deadlines

To earn a high school diploma, students must earn two health and fitness credits. 1.5 credits represent the fitness portion of the requirement, and are met by course work in physical education. The other .5 credit is met by taking a health course. There may be special circumstances where a student may need an alternative option to meet this requirement. Students must fill out the [Appendix E](#) of the [graduation policy](#) and have it approved by a principal or designee to be eligible to use one of the options. These alternative PE options are available beginning in the student's 11th grade school year.

One option, the Fitness Knowledge Assessment, will be given on December 5. For information on this option go to the [district website](#). Students must register by December 4. The link is on the EHS [Counseling PowerSchool Learning page](#). Students who want to use a different option, the Fitness Plan, will need to submit their plan by December 5. The Fitness Plan directions are available on the [district website](#).

Sock and Can Opener Drive to Support Veterans

Eastlake is participating in an outreach event for veterans as a way to support some basic needs of veterans in the U.S. We have discovered that some of those basic needs are can openers and socks. Eastlake students are having a competition between 4th period classes and the class with the most donations of socks and can openers will win a pizza party for their class. Participation is essential to the success of this outreach so any help from parents is greatly appreciated. Deadline is November 30th.

Eastlake Black Student Union Presents - American History Traveling Museum

Please join us at Eastlake High School for a special community event Monday December 3rd from 6:30pm to 8:00pm. Eastlake's Black Student Union presents Delbert Richardson's award winning American History Traveling Museum: Unspoken Truths.

About the Museum: "The founder of The Unspoken Truths has passionately collected and amassed an admirable assortment of artifacts that symbolizes the African experience in the Americas and Europe. They are joyful relics of family moments, and everyday products invented or patented by African Americans – the ironing board, cell phone technology, golf tees, and a pencil sharpener. They are also the crude reminders of a painful past: A runaway slave collar – circa 1800. Branding irons. Shackles. A shotgun. All are equally displayed in The Unspoken Truths African American Museum.

The "Unspoken" Truths American History Traveling Museum chronicles the rich history of Africans in Africa prior to American Chattel Slavery, the experiences and impact of American Chattel Slavery, Jim Crow Era, and the many contributions African Americans have had on scientific, cultural, and technological (inventions) innovations in the U.S. and the world."

The museum is open to all ages and will be set up in the Eastlake High School Library. For more information about the Museum please visit the website: <https://www.theunspokentruths.com/>. For questions about the event please contact [Rachelle Horner](#).

Science Competitions

Is your student interested in participating in science competitions outside of their current science coursework? Eastlake is registered for numerous science competitions that they can participate in. Each one must be registered and paid for by the student. To see a list of current competitions click [here](#). If you have any questions please email [Michelle Okroy](#).

Rotary Student of the Month

[Marcus Truong](#) was selected as the Rotary Student of the month in October for the EHS Art Department. He was selected because of his passion for art and outstanding work ethic throughout his almost four years here at EHS. He has taken art classes every year and is an exceptional artist. Marcus is humble about his amazing artwork and he seeks out feedback from other students and teachers so he can make his work the best it can be. Marcus stands out as a kind and respectful person. He is intelligent and well-spoken in the art world. He communicates his sense of humor and also a sense of seriousness in his work, building his skills and constantly moving forward. Congratulations Marcus!
