Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home.
This is family. **WSPS.**

Dear Wolves,

Veteran's Day is Sunday, November 11th. Leadership students planned our Veteran's Day assembly to recognize our nation's 20 million veterans. Many of our students have connections to them. When asked, almost everyone stood to show they have at least one relative who is a veteran. Many students are related to several. A few students have almost ten veterans in their family. Students learned about some of the sacrifices our soldiers, sailors, airmen, and Marines make every day.

Eastlake students who are in the Civil Air Patrol started the assembly by posting the colors (bringing in the flag), and ended the ceremony by retiring the colors. Our assembly included performances by our school's choir, band, and orchestra students. The theme was service, and this includes the service by our nation's veterans and also what each of us can do in our school and in our community.
