Pedestrian Safety!

Parents, if you drive onto our campus before or after school please watch for pedestrians who are walking between the school and the parking lot. Also, please talk to your students about being safe when they are walking. Students should use the crosswalks, and when walking should not be listening to music with earbuds or air pods that might block the sounds of approaching cars. In recent years we have not had a

pedestrian hit by a car on campus, but we have had some close calls so please help keep our campus safe.

Student Voice

We would like to invite all EHS students to sign up in Flexisched for a Wolf Time Admin Feedback Session on 2/21 during Wolf Time A. One of the key components of our EHS values is effective communication. The term "Student Voice" describes how students communicate their opinions, expertise and values regarding what happens at school. This session will provide opportunities for Students to communicate directly with administrators and for administrators to take action on issues of importance to our students.
