Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home.
This is family. **WSPS.**

Dear Wolves,

By Monday students need to register for the 2019-2020 school year. We want all students to strongly consider classes in Career and Technical Education. Our CTE classes offer dual credit, and we have pathways in Business, Computer Science, Engineering, Material Science and Leadership. These classes not only teach skills in technical fields, but focus on personal development, leadership and teamwork.

Two classes that are important in preparing students for their future are Principles of Leadership and Personal Finance. Our Personal Finance class builds skills in financial responsibilities and decision-making, while helping students understand assets and liabilities. Our Principles of Leadership class focuses on character development, whereby students build personal and interpersonal habits that can catapult them to success in the future. Although, Principles of Leadership is only an elective credit, it serves as the foundation for our CTE Leadership course. These semester classes would be a great pairing.

AVID Information Night – March 6

Are you interested in your student getting the best grades possible in high school? Do they need help organizing their materials and taking good notes? Could they do better at managing their time and setting goals? If you or your student answered yes to any of these questions, then come to the AVID Information Night on March 6 at 7:00pm in the EHS Theater. Attending the meeting does not automatically guarantee your student will be in AVID nor does it commit them to signing up for the class; it is merely an interest meeting so both you and they can find out more about AVID and how it can help them be more successful in high school. Please email Sara Norris (snorris@lwsd.org) or Kim Sheely (ksheely@lwsd.org) if you have additional questions.

Science Competitions

Is your student interested in participating in science competitions outside of their current science coursework? Eastlake is registered for numerous science competitions that they can participate in. Each one must be registered and paid for by the student. Below is a link to current competitions and the available information for those. If you have any questions please email [Michelle Okroy](#).

Blood Drive March 14th

The NHS blood drive is coming up on Thursday, March 14th. Students that are 16 and over are eligible to sign up. By signing up for the drive you can use your time to save the lives of 3 people and get FREE SNACKS. If you are interested in donating visit the NHS officers table at lunch by the main doors. NHS members can get an event credit for their participation.

National Foreign Language Week

The World Language Department concluded its annual celebration of National Foreign Language Week on Friday. Over 700 students in Levels 1-4 of French, Japanese and Spanish spent the last month [creating masks](#) and researching the role they play in the cultures of different countries and regions where their language of study is spoken. Students had the opportunity to share their learning with their own classes and students in different levels and languages to gain a more global perspective.

Multicultural Talent Show

The World Language Department would like to thank the following students for participating in the Multicultural Talent Show this year: Amay Bansal, Anjul Bansal, Ayushi Batwara, Neethi Belur, Sachi

Bhatt, Spencer Call, Priti Das, Aditee Elkunchwar, Jas Dhillon, Navtej Kathuria, Preksha Mittal, Saanvi Nanda, Himani Nijhawan, Tejaa Obulisamy, Devanshi Pandya, Trisha Venkatesan, and Vaishnavi Vidyasagar. We would also like to thank the theater techs who ran the sound, lights, music, etc. that night: Matt Jelen and Anna Kalenkovich. We had a successful show and turnout. We appreciate the work they put into preparing for the [show](#) and are looking for more great acts next year!

Seniors

Senior Send Off - Graduation Night

Senior Send Off is a fun-filled celebration artfully organized by professional event planners from Grad Nights. Graduation night is a special, once-in-a-lifetime celebration and we want to make this joyous occasion a unique, memorable and safe event for all seniors. While it is a few months away, you can sign up anytime from now until May 1. If you have made a payment, make sure you have completed all the paperwork (including any specific paperwork for life threatening illnesses). The paperwork can be returned to the main office. If you have turned in paperwork, but not paid yet, please make a payment by check or online payment. All checks can be brought to the main office. The cost of the event is \$175 and includes chartered bus transportation, food, drinks, games, prizes, and fun events planned at two different locations. Please check out all the details on the PTSA web site and email Renee Baker if you have any questions: sso@ehsptsa.org.

Senior Send Off Call for Volunteers!

Senior Send Off is an incredible event held each year the night of graduation and parents like you make it possible! **We need volunteers** for the night of the event: at the event as chaperones OR helping at the school during check-in. For check-in, you would need to be available from 9-10 pm on Monday, June 17th. To chaperone the event, you will need to be able to pull an awesome all-nighter! You will be on the buses with the students and at the amazing venues having a good time and supervising the good time! Chaperones need to be at Eastlake at 9 pm, June 17 and will be back by 6 am the following morning, June 18. Having chaperoned the past two years, I can tell you that it really is fun. Any parent can volunteer. In fact, it is probably best if parents of sophomores and juniors chaperone. Please contact Renee Baker for more information: sso@ehsptsa.org
