Please update your calendar

Due to the snow day in February, we will add one additional day to the end of the school year. This means that June 20 is now a full day for both students and staff. Even though this is a Wednesday, no early release will take place that day. The last day of school is now June 21, which is a half day for students and a full day for staff.

Eastlake Unified Basketball

On Saturday March 24th at 6:30 PM at Skyline High School, our Eastlake transition program will be taking on Skyline in a basketball game. The format will be modeled after the Unified Special Olympics format, and will consist of two twenty-minute halves. At our assembly Friday we all got to watch a scrimmage with these great athletes and we cant wait for them to hit the court tomorrow.

We are encouraging all students and parents to come out and support. There will be no admission charged.
Go Wolves!
