Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home. This is family.

**WSPS**

Dear Wolves:

Two difficult issues with the school closure have been maintaining some semblance of a school culture and, given all the constraints, celebrating the Class of 2020.

This week we had Delivery Day, where students in the Class of 2020 picked up their caps and gowns. We have included both pictures of this event and a [staff video](#) recognizing the Class of 2020. This will be one of many celebrations for all that our seniors have accomplished. At Eastlake, we empower students to take over the culture of their school and give them a voice to improve the quality of their classroom experience. I can honestly say that the Class of 2020 has made Eastlake a better school than it was in 2016 when they arrived.

Thank you Class of 2020! We have also restarted Pack News to try and keep our students connected to Eastlake. Click [here](#) for the most recent edition of Pack News.

Visit the Eastlake website [here](#) for the information packet and application. All applications are due by 3pm next Wednesday, May 20th.

#### Spring Sports Refunds:

All refunds for Spring Sports have been processed. There is no need to request a refund- these are automatic. If your student needs to pay a fine before the refund can be issued you received an email at the end of April. Thank you for your patience, due to the high volume of refunds it could be June before most families receive their refund check from LWSD in the mail.

#### Medication & Health Room Supply Pick-up:

Due to Covid-19 closure, medication/health room supply pick up will be Monday June 1st 11-2 and Friday June 5th 9-12 2020. You will be receiving a letter in the next few weeks with more information. Students may pick up their own medication as long as it is not a controlled substance. Controlled substances MUST be picked up by a parent/guardian. If your student will be picking up their medication, please confirm with the nurse beforehand. Any medication not picked up before the end of the school year will be disposed of. Please contact [Jennifer Swisa](#) if you have any questions. Thank you for your flexibility during these unconventional times.

## Passwords:

EHS Librarian Kathleen Story can now attempt to re-set student passwords. This is a new link that is being tested from the district. We cannot guarantee it will work 100% of the time but Mrs. Story will do her best to see if it will work for any students who contact her at [kastory@lwsd.org](mailto:kastory@lwsd.org)

## Sammamish Rotary Student of Month - May

The EHS CTE Department is proud to announce the May Rotary Student of the Month- Nicole Floyde. Nicole is a junior and she thrives in her Engineering Class. Ms. Ruge says Nicole creates innovative designs and challenges concepts. She is a great team leader but is always willing to share the spotlight with others. Even though the content in my class comes easy to her, she takes the time to help others achieve their goals in the class. Nicole has been part of NHS, Key Club and Varsity Slowpitch Softball at EHS. She also works in Issaquah teaching elementary aged kids coding and robotics. She hopes to someday study Aerospace or Mechanical Engineering.
