

Lake Washington School District

Eastlake High School

400 228th Ave. N.E., Sammamish, WA 98074 | 425 936-1500

Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home.
This is family. **WSPS.**

Dear Wolves,

Have a restful and safe Spring Break!

Chris Bede, Principal

News From The Den

Eastlake Daily Bell Schedule

Click [here](#) for the daily schedule for the week of April 15th. Its Wolf Strong Week!

There have been changes to the Daily Bell Schedule due to the snow day revisions. These new schedules have all been updated on the Eastlake website [here](#).

2019 Eastlake High School Community Survey

Each year, we reach out to our parent community to hear your input, feedback and thoughts. We constantly strive to match our efforts to the need of our community, students, staff and school to maximize our impact and contribution. Whether you are a member of our PTSA or not, please take a moment to share your thoughts with us. Thank you! Survey [here](#).

Golf Class Equipment Drive - Thank You!

The Golf class equipment drive is over. Our golf classes will now be well equipped. Thank you for all of your donations.

Eastlake Library Book Club to Host Book Drive

The EHS Book Club is holding a book drive the week of April 15th – 19th as part of Wolf Strong week. During this week there will be a table outside the library where

anyone (staff, students, parents) can bring children's books in good condition to donate before school, during lunches, and after school. The books will go to organizations that serve children in need throughout King County.

Koriyama High School Visit

We welcomed 13 students from Koriyama High School from Tokyo, Japan this past week. They visited many local industries: Boeing, Microsoft, Amazon, Nintendo, Bill Gates Foundation, as well as spending time at Eastlake & Inglewood in the Japanese classroom and shadowing some Eastlake students. Thank you to everyone who helped make this exchange a great success! This would not have been possible without the support of all the host families, teachers and staff at Eastlake as well as all of the students here who made the Japanese students feel welcome.

Eastlake Unified Basketball Game - Friday April 19th at 5PM @ Eastlake

Come cheer on our very own Eastlake Unified Basketball Team. Our transition program students and peer tutors will be taking on Skyline's Unified Team. Last year was the first annual game against Skyline, and it was an amazing night. Our goal this year since we host, is to make it an even more incredible experience for our players and all those in attendance. Bring your families, bring your friends, and come out to support an amazing group of students who deserve this opportunity to be recognized. Game will be played in the Eastlake main gym tip-off is at 5:00pm. **WSPS**

Athletics

Please visit KINGCOATHLETICS.COM for all SPRING game schedules and standings. Many of our sports teams will be competing the week of spring break. Come watch a game if you are in town!

Wolves Sports Week In Review

It was another busy week for Eastlake Athletics and the weather has been great! Click [here](#) to see a re-cap of our events this past week.

Counseling, College & Career News

Congratulations Eastlake Central Sound Regional Science and Engineering winners!

Eastlake High School 9th grader, Christine Ye, was awarded [Grand Champion with Distinction](#) for her project, “Applications of Helium-4 Doubly Forbidden Singlet Triplet Transition Lines in Astronomical Spectroscopy” at the Central Sound Regional Science and Engineering Fair (CSRSEF). Christine will go on to compete at the prestigious Intel [International Science and Engineering Fair](#) in Phoenix, AZ in May.

Neha Dalia (11th grade) was awarded 2nd place in the Biomedical Engineering Category for “A System Utilizing Convolutional Neural Networks and Segmentation to Diagnose Cardiovascular Diseases.”

Audrey Gruian (9th grade) was awarded 2nd place in the Environmental Engineering category for “UVPDetect—A Novel Approach to the Detection of Microplastics (A Two-Year Study)”

Maanas Peri (12th grade) was awarded 3rd place in the Software Systems; Computational Biology & Bioinformatics category for “Implementing Computer Vision as a Means of Preventing Distracted Driving.”

Congratulations Christine, Neha, Audrey, and Maanas. You make us proud!
