Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home. This is family. **WSPS.**

Dear Wolves -

At Eastlake, we understand the importance of learning the quadratic formula and understanding the lessons of history, but we also take a holistic approach to education, and understand our responsibility to teach character and citizenship. This week, we continued those efforts. In Grade 10, students participated in a "Think Again" program led by Eastside Fire and Rescue. This program serves as a capstone to Biology lessons on the teenage brain, and the science of emotion and impulse control. Students in Grades 11 and 12 experienced a Mock Car Crash on Thursday during Wolf Time. These experiences drive home the importance of sound decision making, and the potential grave consequences from lapses in judgement. As more 10th graders turn 16, and we roll into Prom and summer break, we ask that you reinforce these ideas at home so that we can keep all our kids safe.

### LWSD Technology - Self Help Password Reset Tool

#### Eastlake Website

To better serve our staff and students, the Technology Department is deploying a new Self-Help Password Reset Tool. This tool is similar to other self-service tools you may have used online and will be available 24/7. Within the tool, you will be prompted to answer questions to authenticate your account. [Reset password check list](#) - [LWSD Self Serve Password Reset](#)

#### Daily Bell Schedule

Before you can use the new service, you must register your answers in the system. This does not mean that you have to change your password now, but you will not be able to use the tool until you register your answers. We highly recommend that users register and enable their ability to use this new feature.

Once registered, staff and students will be able to reset their passwords without calling the Helpdesk. Eastlake Staff and students can register now.

As a reminder when changing your password please use the strong District Password Criteria and Guidelines.

## Counseling, College and Career News

### Counseling Student Drop-Ins

Does your student have a quick question for their counselor? We are now available before school, during lunches, and after school for students that have questions for us! Of course sometimes we'll be in meetings or appointments, but we are also here to help! Students can also always sign up on our Power School Learning page, using our electronic clipboards.

### Congratulations

Eastlake senior, Yvette Onychuk, has won a Washington Art Association Stuart Davis Memorial Scholarship, a competitive award offered to seniors pursuing art or art education in higher education. Yvette was nominated and sponsored by Eastlake's Fine Arts Department Chair, Laura Flagg. Competitors submitted 5 pieces of original artwork and were judged in originality of design, technical quality, and use of medium(s). Congratulations, Yvette, you make us proud!

**SEND OFF 2018**

Join us on a super comfy bus for Senior Send Off and chaperone our seniors. Help keep our seniors safe and sound and have fun while doing it! We are especially looking for a few DADs to join us! SSO is Monday, June 18; buses leave directly from Key Arena immediately after the 8pm ceremony and return to EHS by 6am the following morning. For more information or to volunteer, please contact our [SSO team](#).

If being with 50 kids on a bus does NOT sound fun, but you really want to help out, we need a few folks to come along with us in a separate vehicle. You would chaperone the event but not travel with the students. Interested? Contact our [SSO team](#) now!
