Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home.
This is family. **WSPS.**

Dear Wolves,

We are looking forward graduation on Monday, June 17. We are very proud of all our graduating seniors and wish them all the best in their future endeavors.

Our students in the Classes of 2020 -2023 will build on the standard set by our departing graduates.

Thank you for a great year.

Community Service Spring Award List

Congratulations to 46 of our graduating seniors who earned their 200+ hour Community Service Cord, which is a visible and tangible demonstration of their commitment to thinking beyond themselves and helping others. Check out the [Community Service Award List](#) to see all of the levels of hours for ALL grade levels. Please email eastlakekey@gmail.com if you notice any errors. Huge thanks to Key Club for compiling this list for all EHS students

Sammamish Rotary Students of the Year - Neha Dalia & Daniel Gaughran

Please help us congratulate our two Rotary Students of the Year for 2018-19: Neha Dalia and Daniel Gaughran!

Neha is a junior with an incredible work ethic and indomitable drive. She likes solving problems, and loves to do hard things- especially those of technical nature. She is an asset to her Science Lab groups. But beyond her work in the classroom Neha has started a non-profit to teach middle-school girls how to code. She created an app to help elderly patients keep track of their medication. What Neha puts her hand to, she does seriously!

Daniel, also a Junior, is a phenomenal student both academically and socially. He pushes himself to learn more than just the material in class. He helps others with concepts and is always respectful, polite and in good humor. He works part-time at a local bookstore and volunteers at the Mexican Cultural Center. He is a well-rounded young man, ready to make the world a better place!

Both Neha and Daniel, their families and nominating teachers from EHS attended the Sammamish Rotary Student of the Year Breakfast Thursday June 13th. If you see Neha or Daniel, please congratulate them on their hard work and thank them for being such strong members of our Wolfpack! Results from Smarter Balanced Assessments Available Online June 21

Each spring, Washington public school students in grades 3-8 and high school are tested in English language arts (ELA) and math, with exams called Smarter Balanced Assessments (SBA). Students in grades 5, 8, and high school are also tested in science, with an exam called the Washington Comprehensive Assessment of Science (WCAS).

Individual scores for the SBA exams administered this past spring for ELA and math, are being delivered electronically from the Office of Superintendent of Public Instruction (OSPI). OSPI allows the District to share these score reports electronically in PDF format. Downloadable score reports will be added in Skyward Family Access on June 21. In an effort to use resources effectively, paper reports will only be available by request in the fall.

Only SBA ELA and math scores will be available in June. Science scores will not be available until the fall after OSPI releases those scores.
