Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home. This is family. **WSPS.**

Dear Wolves,

We are looking forward graduation on Monday, June 18. We are very proud of all our graduating seniors and wish them all the best in their future endeavors.

Eastlake will continue to develop both the intellectual strength and character of our students. We know that education is more than the Common Core or what can be assessed on a standardized test. We know that relationships matter. We know that the culture of a school is built upon how we treat each other and work together.

Our students in the Classes of 2019 -2022 will build on the standard set by our departing graduates.

Thank you for a great year.

WSPS
