Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home.
This is family. **WSPS.**

Dear Wolves,

Next week will be full of excitement and sadness, as we continue to say goodbye to the Class of 2019. Today we had our Senior Awards Assembly, and next Wednesday and Thursday we will have Senior Finals. On Friday, we start the morning with our annual Senior Breakfast and then a Graduation Rehearsal. At the end of the day, we will have our Moving Up Assembly. Next week is also a great time for seniors to reach out and thank all the K-12 teachers that have had a meaningful impact on their lives.

For students in Grades 9-11, next week will also conclude classroom instruction in preparation for Finals that also start on Friday, and end on Wednesday, June 19. We always encourage students to not only work hard, but to work smart. That means studying for finals in a strategic way that maximizes retention while minimizing stress and sleep deprivation.
