Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home. This is family. **WSPS**.

Dear Wolves,

Next week will be full of excitement and sadness, as we start to say goodbye to the Class of 2018. On Wednesday and Thursday, we will have Senior Finals. On Thursday, we will also have our Senior Awards Assembly. On Friday, we start the morning with our annual Senior Breakfast and then a Graduation Rehearsal. After the rehearsal, some seniors will visit our middle and elementary schools in their caps and gowns to present thank you letters to teachers that have had a meaningful impact on their lives. At the end of the day, we will have our Moving Up Assembly.

For students in Grades 9-11, next week will also conclude classroom instruction in preparation for Finals on June 18-21. We always encourage students to not only work hard, but to work smart. That means studying for finals in a strategic way that maximizes retention while minimizing stress and sleep deprivation.

Sammamish Rotary Students of the Year -

Nathan Lindsey - Nathan is one of the most positive, thoughtful, and resilient students here at Eastlake. He has worked hard to be successful in rigorous academic courses, while also devoting time to Symphonic Band, Boy Scouts, and community service. Whether it is by advocating for Tupperware Tuesday,

Nathan Lindsey and Devanshi Pandya

offering to help his teachers, or making sure to check in with struggling peers, Nathan exemplifies the idea of Wolf Strong Pack Strong. Students like Nathan don't always get credit for the positive ways they impact others, especially when they do their acts of service with humility. Nathan deserves the honor of Student of the Year because of the little things he does to make our school better every day. Additionally, he has a phenomenal strength in maintaining his integrity and sense of self, even when it may not always be the most common or popular choice. Nathan has a passion for science, love for environmental conservation, and a positive attitude which will help him be successful in a STEM career or any community he chooses to be a part of.

Devanshi Pandya: Devanshi is one of the Band's Drum Majors. In this role she has challenged herself to be the best role model and leader she can be. She is very dedicated and reliable. She is always willing to help others and has focused on trying to improve the focus and determination of the band. Devanshi is very strong academically, is a member of the National Honor Society, DECA, Leadership, and many other groups. She has been in an ASB leadership position throughout her time at Eastlake and strives to live our Credo. She really tries to embody the idea of servant leadership in everything she does. Devanshi volunteers to welcome students to school each day in order to help build a family culture here at Eastlake. Devanshi also spent time taking incoming 8th grade students on tours through the building and answering their questions. The community and sense of family at Eastlake is a direct result of students like Devanshi and their devotion to the Mission and Vision of our school.
