

Lake Washington School District

# Eastlake High School

400 228th Ave. N.E., Sammamish, WA 98074 | 425 936-1500

Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home.  
This is family. **WSPS.**

Dear Wolves,

We are excited for this upcoming school year and looking forward to seeing your student on campus. We have missed them. Whether this is the first time your student will be "joining the pack" or we are just simply welcoming them back, you could not be releasing them to a better place. Eastlake is a fantastic school and we pride ourselves on giving every student an amazing high school experience. We make this mission possible through our [Common Goals](#).

We encourage your student to step into the high school experience, try new things and challenge themselves.

See you on September 3rd.

Wolf Strong, Pack Strong

Chris Bede, Principal

## First Week Schedule

The first day of school is Tuesday September 3rd. Please note that on the first day of school 9th graders need to arrive by 7:30AM and go directly to the main gym for an assembly. 10th, 11th & 12th graders arrive by 8:00AM and will go to their 1st period class. Please note that Wednesday is a full day the first week of school. Click here to view the [First Week Schedule](#).

## BREAKING NEWS - Eastlake Parking Lot Revisions!

Traffic flow improvements are under construction at Eastlake High School. The improvements include a new roundabout which will allow for two-way traffic around the east end of the school. The project is one of the site improvement projects approved

by voters in the 2018 Capital Facilities Levy. THANK YOU VOTERS!

Roundabouts are prevalent throughout Sammamish and are an effective way to decrease vehicle speed while maintaining a constant flow of traffic. As part of this project, traffic nearest the fields will convert from one-way traffic to two-way traffic. Please be aware of the new striping and signage to designate the new traffic flow in these areas. **No changes were made to the entrance and flow from 228th Ave. N.E.**

The new roundabout replaces a 3 way stop near the northeast entrance from NE 8th St. Students and visitors entering from NE 8th St. can reach the student/visitor parking lot near the main school entrance by navigating all the way around the roundabout to head south past the football field to the parking lot. Please remember to always yield to traffic already in the roundabout.

As noted below, students and other pedestrians should use the new crosswalk to get from the student/visitor parking lot to the main entrance of the school. Three vehicle access points around the drop-off loop will be closed in order to isolate drop off traffic flows from parking traffic.

Please review the [attached map](#) of the Eastlake parking lots areas which shows the revisions that have been made.

### **Did You Miss Back To Business Day?**

Here is how you make up what you missed:

- **Photos:** Make Up Photo Day, Wednesday September 11 at 12:25PM. Students need to get a photo taken after school and might need to make other arrangements if they normally take a bus home.
- **Purchases:** Paying for an ASB card, PE shirt, Yearbook, parking permit, PSAT test, transcript fee can be done at [LWSD Online Payments](#), or students can bring in cash or check to the Bookkeeper Window before school or during lunches. Students will pick up their PE shirts from their PE class. Parking Permits, ASB cards and PSAT test booklets are handed out by the Bookkeeper.
- **Off Campus Pass:** If your student is in Grades 10-12, parents must complete the [online permission form](#) for Off Campus Lunch. Please do this before the Make Up Photo Day on 9/11/19.
- **Parking Permit Form:** If your student is in grades 11-12 parents must complete the [Parking Permit Application Form](#) in addition to paying for the Parking Permit.
- **Laptop Pickup:** If your student still needs a laptop, they can pick it up on the first day of school in the Library between 7AM-2:20PM. If your student is 9th grade or a new student, they will need a completed [Laptop Agreement Form](#) to get their laptop. For questions regarding laptop fines, fees, repair costs and insurance, please [refer to this information](#) that is on the Eastlake library page.

### **Class Schedules**

Information about how to get your class schedule is [here](#). This is the same information that was emailed to all families Thursday August 29th.

### **Password Reset Instructions**

For security purposes, **existing student passwords were reset on August 15, 2019** for the start of school. The new start of school default password for returning and new students is **2019S#n[7 digit student ID number]**. All secondary students will be prompted to change their password at first login and must do so while on

campus. All other passwords will expire every 90 days for security purposes. Students should follow the strong password guidelines. Passwords cannot contain part of your name, login ID or email address. Previous passwords will not work and cannot be re-used.

Secondary students should register for the self-service password reset tool. Under the Students and Families section of the LWSD website click the "[Password Reset](#)" link under the "Helpful Resources" section. Students should enter their LWSD username, click Next. Then click "Go to Self-Service Password Registration" and follow the prompts to register. This will allow students to change their password from any non-district computer if they forgot their password. If they are locked out of their laptop at school, they should go to the library for assistance to change their password. For additional password questions, students can get help from any EHS Library staff member.

### **Curriculum Night:**

Wednesday, September 25th 7:00–8:30 PM

### **Eastlake Sports:**

[Kingcoathletics.com](http://Kingcoathletics.com) is your source for all Eastlake sports schedules, standings and scores

### **Fall Sports Registration**

Please note that all Athletic registrations will take place through [FinalForms](#). All parents have received an email to create an account.

See the [EHS website – Athletics](#) for more information on registration, specific sports and required documentation. Cross Country, Football and Slowpitch are the remaining sports that are still taking registrations. All will close September 6th.
