Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home. This is family. **WSPS.**

Dear Wolves,

We are excited for this upcoming school year and looking forward to seeing your student on campus. We have missed them. Whether this is the first time your student will be "joining the pack" or we are just simply welcoming them back, you could not be releasing them to a better place. Eastlake is a fantastic school and we pride ourselves on giving every student an amazing high school experience. We make this mission possible through our [Common Goals](#).

We encourage your student to step into the high school experience, try new things and challenge themselves. Our staff is the best and working with students is our passion.

See you on September 4th.

Laptop Insurance and Repair Costs-

[New Laptop Repair Costs](#) and [Insurance](#): The Laptop Handbook has been updated with new prices for damage fines. This can be found on the district website under Students and Families, Caring for Your Laptop, and the [Laptop Handbook](#). It is important to notice that a cracked screen is now \$299.00 to repair. Due to this increase more parents may want to buy the insurance through Worth Ave which is \$54.00 for one year. If you buy the insurance be sure to use the LAPTOP SERIAL NUMBER on the bottom of the laptop and not the district barcode.
