

Lake Washington School District

Eastlake High School

400 228th Ave. N.E., Sammamish, WA 98074 | 425 936-1500

Eastlake Credo: At Eastlake, through intentional actions, we create an environment where students and staff feel safe, appreciated and loved. This is Eastlake. This is home. This is family.

WSPS

Dear Wolves:

Eastlake has established school systems that personalize education and address the needs of all students. To provide students with the necessary time and support to learn, Eastlake offers student interventions during the school day in Math, Science, Literacy and World Language. Typically, these intervention specialists either push into classes to support struggling students or pull out small groups of students to offer extra help. Although students can reach out to their teachers for help during Asynchronous Learning and Support and Wolf Time, we now also use our intervention specialists to staff support sessions for some classes on Wednesday that all students can access.

Science Asynchronous Support

9:00AM-10:00AM Biology in the Earth's System Support

10:00AM-11:00AM Chemistry in the Earth's System Support

11:00AM-12:00PM Physics in the Universe Support

[Join Microsoft Teams Meeting](#)

Humanities Asynchronous Support

9:00AM-10:00AM Grade 9

10:00AM-10:45AM Grade 10

10:45AM-11:30AM Grade 11

11:30AM-12:00PM Grade 12

Parent/Student Access Into Eastlake During Open Hours

Our building is only open the following days & times:

- Mondays 8:00AM - 9:00AM,
- Wednesdays 9:00AM – 3:00PM
- Fridays 2:00PM – 4:00PM

Enter on the side of the school by tennis court/buses, go up the stairs to the entry door. We will have staff that can help students and will have a student attestation station (for Covid19) during these specific times. Masks are required.

The EHS main office is open from 7:00AM-3:00PM for phone calls Monday - Friday (425) 936-1500.

News From The Den

Guardian Digest

The Guardian Digest will be sent to families on Sundays beginning this week. The purpose of the Guardian Digest is to inform families of missing work from the previous week and to inform them of assignments in the upcoming week. While we know teachers will make changes based on students' learning needs, the intent is to give a preview of the assignments, so you can follow up with your student and ensure the assignments are completed. Skyward will continue to be our digital learning platform for scoring student work and informing parents of grades.

Curriculum Night September 30th

Our teachers are ready to welcome you into their classrooms. For this year, our Curriculum Night will be an online event. Starting September 30th at 4:00 pm (or any time after that) parents will be able to access recorded presentations made by each of your student's teachers. They will share information such as who they are, the best way to communicate, what the course is like and what to expect for schoolwork. This is an opportunity to meet each of your student's teachers and to learn more about each course's curriculum and expectations. We will send more information on September 30th so you can access these presentations.

Student ID Cards

Students who had their school picture taken by Lifetouch in August and this week will be able to pick up their Eastlake ID card starting Wednesday, September 23rd, during our posted open hours, Mondays, Wednesdays and Fridays. There is no requirement for any student to pick up their school ID card now, but we will have them for any student who would like theirs. If we are able to transition to in-person learning we will decide how to process the off-campus permissions and ASB payments, and we will print a second round of ID cards to show these designations.

Equity at Eastlake

In honor of National Hispanic and Latino Heritage Month, check out the [Smithsonian American Art Museum's Our America: The Latino Presence in American Art](#). The exhibit "presents the rich and varied contributions of Latino artists in the United States since the mid-twentieth century, when the concept of a collective Latino identity began to emerge. The exhibition is drawn entirely from the Smithsonian American Art Museum's pioneering collection of Latino art. It explores how Latino artists shaped the

artistic movements of their day and recalibrated key themes in American art and culture."

Technology Help

Visit our new [Technology page](#) on the EHS website to get help with frequently asked questions about access and troubleshooting from home.

Athletics

Check the status of our programs by visiting the EHS [athletics website](#). Please also check sport specific websites for updates.

Physical to Update?

Did you know that you can check your student's physical expiration date? Login to your [FinalForms](#) account, the date of expiration is listed on the left side just under your student's name.

If you need to update your student's physical you can scan it to [Amy Hill](#) or drop it off during office hours. Please make sure the physical is signed, dated and stamped by the clinic.

You still register for sports for this school year through [FinalForms](#), no payment will be made for any sport until it is verified that a season will occur.

Counseling, College & Career News

News from the Counseling Department

AP Registration & Ordering

My name is Jessica Strange, a new counselor at Eastlake working on counseling projects, including all things AP. As your scholar has started settling into the new school year, they also should also be sure to [register](#) for their AP classes with College Board to connect to their teachers AP classroom. We are hoping students enrolled in any AP class will connect to their teachers AP classroom by next week. Teachers have given students their individual class join codes and instructions how to connect to their class. Once students are connected to their teachers AP classroom, they have access to valuable tools to help with their learning and success in the subject. For scholars who decide they would like to take their AP test/s in 2021, we will start accepting payments October 1st and more communication will come out to you on that later this month. Students are not obligated to pay or take the AP test by registering, they will simply gain access to resources while they decide at a later date if they would like to test. If you have any questions, please contact me at jstrange@lwsd.org

Student & Parent Groups Being Offered through Evergreen Hospital

LWSD social workers are offering student groups and parent support groups this fall during the week on various mental health topics. Click link for more info and how to sign up <https://www.evergreenhealth.com/lwsd-partnership>.

Please contact [Suzanne Campiche](#) if you have any questions or need support.

Career Exploration Spotlight--Architecture, Construction and Engineering (ACE) Mentorship Program

Are you interested in Architecture, Construction or Engineering? ACE Mentors is a free after-school program which pairs high school students with professional mentors from the building industry. The ACE program will be administered virtually for the 2020-2021 school year. Mentors and students participate in activities ranging from virtual construction site visits to designing a unique building project. The program runs from the beginning of November through May and is open to students in grades 9-12. At the end of the year, teams present projects to other teams, mentors, professionals, and parents. Seniors in the program are eligible to apply for scholarships. Last year 14 students received a total of \$100,000 in scholarships in the ACE Washington chapter. [Sign up for ACE](#) by Friday, October 16th.

Seniors - Class of 2021

It's Time to Submit your Senior Photos to the Yearbook

- Click [here](#) for details on uploading your photo
- Deadline is Jan. 31, 2021.

Yearbook 2020-2021

Yearbook is looking for pictures and we need your help!

Visit the [EHS website - Yearbook](#) page for directions on how you can supply photos to the 2020-2021 yearbook.

If you have any questions please contact [Dina Jay](#), Eastlake

Join the PTSA today!

It is time for another exciting, albeit different school year, and an important part of our Eastlake Community is our PTSA.

Eastlake High School's PTSA supports critical academic needs, is an active voice on decisions that impact your child's health, safety, and quality of education, and builds a stronger, more inclusive school community. We invite YOU to join PTSA For Your Child because when you become a member you lend your support to these various programs.

There is no right or wrong way to be involved – anything you can give, whether it's time or money, it will support your child's potential. We invite you to [join](#) because we can do more together than apart, especially during this time.

It only takes 5 minutes to join. [Click here to Join!](#)
